

## Leo

July 23–August 22

It's time to ask for that advice you've needed for such a long time. They are waiting for you to ask. Once you put yourself out there you will be amazed at the response you receive from your friends and family. They can actually help. **Lucky Color: Green**

BORBA Fiber-Knit Concentrate: Replenish, \$60, [WEB](#) borba

### For your guy...

Don't be too forward when offering your advice, since it can come across as rude and spiteful. **Lucky Color: Forest Green**

## Virgo

August 23–September 22

A weekend getaway may sound enticing, but don't neglect your prior obligations. Be mindful of the advice you receive. It just might be given to you with nothing but spite in mind. Keep a close eye on the overzealous confidence that ensures you are never lost for words; you might regret what it prompts you to say next. **Lucky Color: Light Blue**

### For your guy...

Spend some time outdoors. Some fun in the sun will ease the stress from working long hours. **Lucky Color: Olive**

## Capricorn

December 22–January 19

Your career is putting you on the fast track, but don't get too confident just yet. Someone is determined to bring their concerns about you to the table. Be watchful of lingering co-workers; the probable gossiping may seem juicy, but it will come back to haunt you. Keep colleagues in the loop when it comes to your personal life. **Lucky Color: Teal**

Pout Black Eyes Mascara, \$16, [WEB](#) sepho

### For your guy...

Read between the lines. The answers are hidden in the words that aren't being uttered. **Lucky Color: Yellow**
